Re: NC 16 Corridor Vision Plan
Date: April 13, 2009

There will be an important Public Forum held on Thursday, April 23, 2009, at Unity Presbyterian Church on Unity Church Road, Denver, NC from 7:00 p.m. to 9:00 p.m. The purpose of the Public Forum is to:

Present the eleven member Study Group's draft recommendations for a proposed twenty year vision plan along old/business NC 16.

Gather important feedback from the community in preparation for the final proposal to be submitted to the County Board of Commissioners.

All property owners, business owners and property management professionals are urged to attend. This is especially important to property owners and businesses located along old/business NC 16.

On May 1, 2008, at the request of the County Board of Commissioners, an eleven member Study Group was created with the following primary Goals and Objectives:
Goal – To produce a viable NC Corridor Vision Plan which improved the look and feel of the corridor, manages future development, includes citizens input, and is based on land use plans.

Objective – To develop a realistic implementation plan, involve the community in the decision making process.

Please know, since May 1, 2008 the eleven member Study Group has held 2 hour meetings twice each month and spent countless hours outside regularly scheduled meetings doing research and assigned study. However, for this to be a successful endeavor your participation in the Public Forum is vital.
